

DNA OF PINNACLE GROUP

Design, innovation and creative solutions drive the Pinnacle Group in all its ventures. With experience to back us and youth on our side, we look to the future as a diverse, agile organization that leverages traditional values to achieve the unconventional.

ABOUT PINNACLE GROUP

The old traditional 'wadas' in Pune City were transformed into modern space efficient residential structures. By 2021, Pinnacle had completed more than 20 Redevelopment & 10 Fresh projects with more than 700 satisfied home owners.

The unprecedented growth was empowered by Pinnacle's closely held values: **Innovation, Flawless Master Planning, Precision & Persistence.**

LEADERSHIP

Mr. Gajendra Pawar started his career in the construction industry in 1996, and since then he has not looked back.

Undeniably self-motivated, Mr. Gajendra Pawar is a rare blend of highly artistic sensibilities and sharp business acumen.

He has proved his mettle time and again by following his instincts even in the face of adversities, accomplishing spectacular success in his endeavours.

He is considered a specialist in redevelopment projects and has been a key member in the formation of the Pune Development Plan. He is the man behind the biggest redevelopment project in the history of Pune: “Pinnacle 9 Sadashiv”
